

**telegate AG announces first quarter results 2015:  
Digital business generated 60 percent of turnover**

München / Planegg, 7 May 2015 – telegate AG today announced that it recorded revenues of EUR 13,96 million in the first quarter of 2015 (Q1 2014: EUR 16,42 million). The company's digital business contributed EUR 8.38 million (Q1 2014: EUR 8.94 million), whereas the Directory Assistance segment added up to EUR 5.59 million (Q1 2014: EUR 7.48 million). The EBITDA before non-recurring items is at EUR 1.7 million in the first quarter 2015 (Q1 2014: EUR 2.9 million). Thereof the digital business contributed EUR 0.6 million (Q1 2014: EUR 0.7 million), the DA segment EUR 1.1 million (Q1 2014: EUR 2,2 million).

“We are on the right track and compared to the previous year, we could clearly increase our efficiency. With the expansion of our product portfolio by Facebook and further Google products in the first quarter 2015, we made decisive strategic progress in our digital business. Next year we will achieve a two-digit-growth in this business segment”, said Franz Peter Weber, spokesman of the management board.

In the previous financial year 2014 telegate AG has mainly focussed on optimising internal structures and moved customers' needs in the center of attention. In the first three months of 2015, the company expanded its online marketing offer for small and medium-sized companies by social media integrations and video products. “In the digital marketing business, we want to be the most favourite partner for small and medium-sized companies in Germany. Many years of experience, our broad know how and our current offer support us to achieve this target”, said Franz Peter Weber.

telegate AG is the second-largest German service provider for regional advertising and directory inquiries. Via the [www.11880.com](http://www.11880.com) and [www.klicktel.de](http://www.klicktel.de) online directories, the corresponding smart phone and iPad apps as well as Klicktel's software products, consumers can access contact details for private subscribers, business information and regional news. These online and mobile services are accessed by more than one million users in Germany each day, making them effective advertising platforms for businesses. In addition to prominently placed entries in the digital directories, telegate offers small and medium-sized enterprises numerous opportunities for marketing their products and services on the Internet via its telegate MEDIA subsidiary. Following the liberalisation of the telecommunications market at the end of the 1990s, telegate rapidly became Germany's second-largest provider of directory assistance services through the country's best known telephone number 11 88 0\*. With a market share of nearly 40 percent, it is now the leading alternative provider of such services. telegate AG has around 1,000 employees at eight sites in Germany. The company's share is listed in the Prime Standard of the Frankfurt Stock Exchange.
